The cover image shows John Brack's famous "Collins Street 5pm", with a difference. Our cover artist, John Dickson, has replaced a face in the foreground with that of Brack's father-in-law, Henry Fitzgerald Maudsley (the only face turned to the viewer). Maudsley, a prominent member of Melbourne society and a key figure in the eventual establishment of the RANZCP, is the subject of a paper in this issue (pages 435-441).
